

School Council Meeting

13/9/22

Agenda

What should the Academy do to as a celebration and memorial to the Queen?

A number of ideas were discussed:

- Flag poles, attach black fabric/ribbons.
- A permanent picture of the Queen in school
- A Collage that all students can contribute to which is then displayed in school
- Mural that all students can contribute to
- Small flags completed by students that contribute to mural or displayed as the Ukraine ones were.
- Plant a tree

The School Council decided that the first choice of idea is to complete a collage of the Queen, with all students through tutor able to contribute.

Their next choice was to complete flags to contribute to the collage and/or display outside of school

Final choice was to consider an action with our current flag poles but there may be limitations on this.
