Dear Parents/carers,

It is with regret that I have to inform you that the German exchange will not be taking place this year. There have been a number of obstacles regarding the costing, alignment of dates and shared logistics that have meant the trip is no longer viable. I apologise for the lack of clarity in communication since launching the trip - it has been a frustrating process and was largely due to the afore-mentioned obstacles.

As an alternative, I am looking into the potential to go on a residential trip to German for 3-4 days at the end of June using educational travel company. I have requested quotes and will send further details next week.

Thanks for your understanding and support.

Kind regards,

Tom Barfield
