

## Braunton Academy Student Equipment list

It is a good idea for students to keep all their essential items together in a pencil case as this will help them to become more organised. Equipment will be checked regularly each week by form tutors and credits awarded which contribute to trips and rewards. They will also need to ensure they have a school bag in which to carry their belongings to and from the Academy: please make sure that this is labelled clearly with their name and they know they will be responsible for it at all times.
