Dates are:

**22<sup>nd</sup> April**

**10<sup>th</sup> June**

**6<sup>th</sup> May**

**17<sup>th</sup> June**

**20<sup>th</sup> May**

**Sports day date TBC**

**3<sup>rd</sup> June**

**Tracey** to ask Sam to do FB post asking for volunteers.

### **FB Videos about school topics**

Tracey discussed an idea she had about short 1-2 min videos on school topics that could go on our FB page to help parents know about topics of interest going on at school. This might help us as parents understand what the school is doing and better understand how to support our children. Example topics could be:

- What is period 6 about
- How to help our children get the most out of period 6
- What is the trivium and how does that theory of learning help our children
- Self directed learning, how are the children learning to do that.
- How to get the most out of class charts.
- How is the school looking after the environment/ working towards sustainability, how can our children get involved?
- Etc, etc, etc

Parents or school staff could suggest topics. There are lots of interesting things going on at the school which you can find out about on the website but bite size easily accessible videos might be helpful. ? we may be able to get some funding for this and / or ask media savvy or film making parents to help. Sarah and Karen both thought they would like something like this. **Tracey** to discuss with Mr Cammack to see what he thinks.

### **Date of next meeting:**

Monday 20<sup>h</sup> April 6pm School reception
