Upcoming Dates to Support:

Rob Jones from the Rewind DJ events discussed the proposed 'Gin and Chilled Beats' evening. He has met with Darren Chadwick who is happy to host the event which will be a collaboration of local businesses namely Fine Foods's local Gin tasting and the Quay's new café at Velator alongside some background 'Down Beats' music provided by the Rewind DJ's Rob Lyle and Rob Jones.

The plan is to support this event and in return raise some monies for the school. Details were discussed with a view to the event going ahead sometime in September. Rob to meet again with Darren to talk over our ideas.
