28th June 2022

Dear Parent/Carer

Re: GCSE Art Trip to St Ives: Thursday 13th and Friday 14th October 2022

I am pleased to announce that we will be running an Art residential trip on 13th-14th October 2022.

It is hoped that all of our GCSE Art students will attend this residential trip to further their knowledge and skills of art and it will also be used to inspire their first GCSE project.

Day One: The trip will involve students leaving at 7.00 am Thursday 13th October by coach to St. Ives where they will visit the Tate and Barbara Hepworth Galleries. Students will need to take a packed lunch from home for the first day. They will be staying in the Cohort Educational hostel in St Ives which we have use of the entire building for our students only. There they will be staying overnight in small dormitories. You can see more about the hostel if you follow the link: <https://www.stayatcohort.co.uk/>

We shall have an evening meal, breakfast at the hostel and will have a packed lunch provided for the second day.

Day Two: Friday 14th October, we shall be taken by coach to the Eden Project for a drawing day, taking inspiration from the natural shapes and forms within the biodomes. Mid-afternoon we shall be returning home via coach arriving in Braunton early evening.

We have managed to keep the cost as low as possible and can run the trip at a cost of £83.00 per student. Students in receipt of a free school meal will have the cost discounted by 20% to £66.40.

To secure our bookings we shall need a non-refundable deposit of £25.00 on or before 9.00 am on Monday 22nd August. The full non-refundable balance will be due by 9.00 am on Monday 26th September. If meeting either deadline will be an issue for you, please email Mrs Nolan: jnolan@braunton.academy to arrange an alternative date.

The Art Department are happy to be able to offer such exciting opportunities for our students once more. If there are any questions or issues regarding this letter please contact me.

Kind regards

Mrs Z Bateman, Head of Expressive Arts
