## STUDY LEAVE STARTS

From this point in your courses and examination programme you will have the opportunity to attend study sessions between **your exams (green)**. Your normal classes will no longer take place. If your class teacher is not available, please go along to the study sessions led by other members of staff as indicated on the plan. These sessions will give you the opportunity to top up your knowledge, to ask key questions or to clarify your understanding before your exams. **Specific subject study sessions** are written in red e.g. **STATISTICS** Study session.

If you have an exam, we will take a register at the beginning of the exam. If you are coming in to attend a subject specific study session or to undertake a private study session, you must sign in and out with MR MILTON IN STUDENT RECEPTION. This is to comply with fire regulations to ensure your safety.
