### Finances

Sally provided a spreadsheet with all income and expenditure as at 5<sup>th</sup> June 2018. Our general funds balance is £275.71 with the music department having a balance of £685.

### Music Update

The Music Fundraising Team have organised 4 events since April and have raised £685. We would like to thank them for their efforts and say very well done!

### School Council Feedback

Mick gave us a run down of ideas the school council suggested to raise money for school. We will look into organising a "Bingo" evening as a community event in a local venue. An inter house quiz was also suggested where parents could play for their child's house (Croyde, Putsborough, Saunton, Woolacombe) to gain points! We will look to arrange this for the Autumn Term.

They also suggested non-uniform days, particularly "World Book Day" where students (and staff) dress up as a character from a book (March).
