## YR 11 ASSEMBLIES & SUPPORT

During the autumn term, we will be visiting your school to give a presentation in your assembly about options after Year 11 and how we will support you throughout your year and your progression after school. If you have any questions at all, we can help answer them during our visits.

Representatives from our School Liaison Team, will also be available for drop-in sessions throughout the year to discuss future routes with you. Please contact your careers lead if you would like to arrange an appointment.

## WHO ARE THE SCHOOL LIAISON TEAM?

Heather   Aimee   Maddy

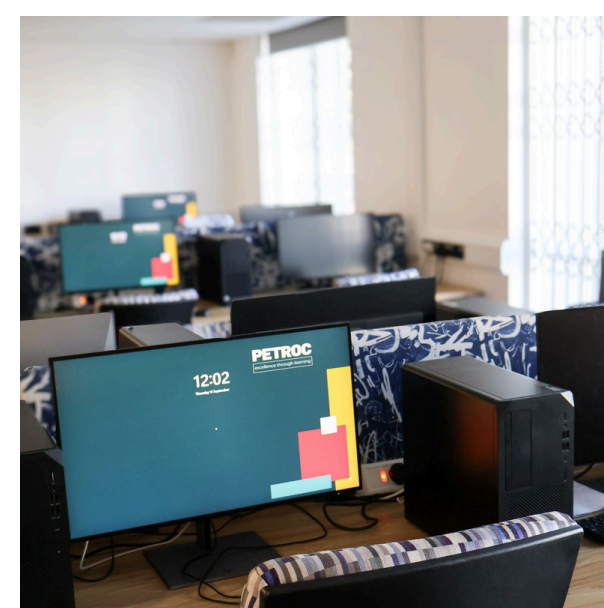

*Hello!*

We are the School Liaison Team at Petroc, and we'll be supporting you throughout Years 10 and 11. Whether you'd like one to one careers advice, a tour of our campus, or help with anything else related to your next steps, we're here to assist you.

We look forward to working with you!

## NEW TERM

Over the summer, Petroc has made some exciting new changes. The college has redecorated some of the classrooms and corridors, making the place feel brighter. We have also had a newly refurbished Learning Resources Centre, along with new Media rooms for students. This has provided excellent learning spaces for our students.
