Dear Parents/Carers

Voluntary Contributions

With school budgets still under huge and unprecedented pressure, we are launching our School Support Fund to enable parents and carers to make voluntary contributions that will benefit our students. The Fund will help us to ensure that these budget constraints do not affect our ability to continue to provide the very best curriculum which shapes your child's experience at Braunton Academy.

Contributions will assist with the costs associated with D&T resources, non-consumable cooking resources within Food, equipment within PE and other equipment supplies such as textbooks, revision books and numerous other resources across all subject areas.

Please note, there will be no impact on students, should you choose not to contribute and that payments do not contribute to the cost of extracurricular trips. We fully appreciate that we are all facing challenges with the current cost of living, however we are very mindful of being able to deliver the best we can for your child whilst also navigating through these circumstances.

If you wish to make a voluntary contribution to the Braunton Academy Support Fund, please either pay a voluntary contribution per month by standing order to the details below or through ParentMail with the suggested donation amount.
